CHANDIGARH-160014

Advertisement for two posts of Project Technical Support-III

Applications are invited for Two (02) positions of Project Technical Support-III in the Indian Council of Medical Research (ICMR) sponsored research project entitled “**Machine Learning and AI-Guided Design and Validation of Cost-Effective Next-Generation Antimicrobial Peptides Against Multidrug Resistant Pathogens**” sanctioned to the undersigned.

No. of positions: Two (02)

Essential Qualifications: Candidates must possess a three years B.Sc/graduate degree with three years experience OR M.Sc./PG degree with a minimum of 55 percent marks in Biophysics/Biochemistry/Microbiology/Biotechnology/Allied fields.

“Candidates with UGC-NET/GATE/other national entrance test conducted by Government of India will be preferred”.

Desirable Experience: Prior knowledge of molecular modeling, software, biomolecular simulations, various microbiology, biochemical and spectrophotometric assays, cell culture and molecular biology techniques.

Emoluments/Fellowship: The selected candidate will be paid a stipend of Rs. 28,000 + 5600 (20% HRA).

Duration: Initial appointment for one year, extendable up to 3 years based on performance. The position is temporary and co-terminus with the project.

Age Limit: 35 years

Other relaxations as per ICMR and Panjab University norms are applicable.

How to apply:

Candidates fulfilling the above criteria may submit their application (on plain paper) to the undersigned along with a detailed resume (with email, address and contact number), attested copies of certificates, and work experience or publications by **5th January 2026**. The date and venue of the interview shall be conveyed via email or phone to the eligible candidates. No separate call letter will be issued for the interview.

Note: *No TA/DA will be provided. The post is purely temporary and commensurate with the project.*
