Recruitment Notice

Advt. No.: NC-GU035/20/2025-NC/01 dated: 10-10-2025

Details of eligibility qualification required for each position

Sl. No.	Name of the Post	No. of Vacancies	Qualification	Age Limit	Maximum Monthly Remuneration Consolidated (in ₹)
1.	Project Coordinator	1 [One].	Essential: M.E./M.Tech in Computer Science & Engineering / Information Technology, OR M.Tech in Bioinformatics / Computational Biology, OR B.Tech in Computer Science & Engineering or MCA with strong exposure to AI/Cloud/Software Systems. • Minimum 8 years of professional experience in project coordination, planning, and execution. • Proven track record in implementing large-scale e-Governance, ICT, or R&D projects. • Demonstrated expertise in capacity building and digital skills training programs. • Exposure to Emerging Technologies such as Artificial Intelligence, Cloud Computing, Blockchain, IoT, AR/VR, Cyber Security, Drone Technology, and Multimedia Systems. • Strong skills in team management, stakeholder coordination, and reporting.	Max 45 yrs.*	₹ 1,20,000/- Per month

2.	Senior Faculty in Bioinformatics	2 [Two]	Specialization: Omics Data Analysis (1 No.) Essential: • M.Tech./M.Sc. in Bioinformatics, Life Sciences, or Biotechnology from a recognized university. • Working experience in Structural and Functional Genomics Bioinformatics, supported by publications in SCI/Scopus-indexed journals. • Minimum 5 years of full-time teaching or research experience in reputed public or private academic /research institutions, preferably at the postgraduate level. Desirable • Ph.D. in Bioinformatics, Computational Biology, or Life Sciences with expertise in Structural and Functional Genomics. • Research track record with at least 3 publications in SCI/Scopus-indexed journals. • Experience in teaching and student mentoring at postgraduate or doctoral level. Specialization: Structural Bioinformatics (1 No.) Essential: • M.Tech/M.Sc. in Bioinformatics, Biotechnology, Microbiology, Biochemistry, or a closely related discipline from a recognized university. • Minimum 5 years of full-time teaching or research experience in reputed public or private academic/ research institutions, preferably at the postgraduate level. • Hands-on expertise (minimum 5 years) in Structural Bioinformatics, including protein structure analysis, molecular modeling, docking, molecular dynamics simulations, and related computational methodologies, supported by publications in SCI/Scopus-indexed journals	Max 45 yrs.*	₹ 50,000/- Per month
----	----------------------------------	---------	--	--------------	----------------------

			Desirable • Ph.D. in Bioinformatics, Computational Biology, or Life Sciences with specialization in Structural Bioinformatics. • Research track record with at least 5 publications in the last 5 years in reputed international SCI/Scopus-indexed journals. • Experience in teaching and mentoring students at postgraduate or doctoral level.		
3.	Junior Faculty in Bioinformatics	4 [Four]	Essential • M.Tech/M.Sc. in Bioinformatics, Biotechnology, Microbiology, Biochemistry, Computational Biology, or a closely related discipline from a recognized university. • Minimum 3 years of relevant experience after the highest academic qualification in teaching, research, or industry in reputed institutions/organizations. • Documented 2 years of working experience in Bioinformatics research and applications, including one or more of the following: ◦ Structural Bioinformatics ◦ Genomics / Transcriptomics / Metagenomics / Proteomics ◦ Related computational or data-driven biological approaches • Practical exposure to Bioinformatics tools, pipelines, databases, and computational/statistical methods for life science data analysis. Desirable • Experience in teaching and student mentoring at postgraduate or doctoral level in Bioinformatics, Computational Biology, or Life Sciences with expertise in Structural Bioinformatics or Structural & Functional Genomics. • Evidence of research contributions with publications in SCI/Scopus-indexed journals in Bioinformatics or related areas.	Max 40 yrs.*	₹ 40,000/- Per month

4.	Technical Assistant	1 [One]	Essential • Postgraduate qualification in Economics, Management, or a related discipline from a recognized university. • Minimum 6 years of relevant experience in program management, monitoring, accounts, and reporting. • Proven expertise in large-scale program coordination and stakeholder management. • Strong abilities in documentation, compliance monitoring, and report preparation. • Proficiency in MS Office (Word, Excel, PowerPoint) and accounting software such as Tally or Busy. • Competence in preparing and analyzing MIS/statistical reports. • Excellent communication and interpersonal skills. Desirable • Experience in government-funded programs (skill development, digital initiatives, or scientific/technical domains). • Familiarity with portal-based monitoring systems and dashboard-based reporting. • Exposure to Bioinformatics, Electronics, or IT-enabled training programs. • Versatile mindset with exposure to multidisciplinary areas such as training, yoga, or psychology. • A problem-solving attitude with flexibility to contribute to the evolving Smart Bioinformatics Ecosystem.	Max 40 yrs.*	₹ 30,000/- Per month

* Age relaxation as per government norms.

Interview for Hiring of Manpower on contract
basis [Advt. No. NC-GU035/20/2025-NC/01]

dated: 10/10/2025

Terms & Conditions:

1. The engagement will be purely on a short-term contractual and temporary basis, with consolidated remuneration. The initial tenure shall be for one [1] year, which may be extended further subject to satisfactory performance of the candidate, continuity of the project, and institutional requirements. The contract engagement shall be co-terminous with the project, i.e., it will automatically cease upon completion or termination of the project.
2. Interview for the positions shall be held through Online/Offline mode. In case of online mode of interview, applicants shall ensure availability of Desktop PC/Laptop with Camera & speakers, network connectivity with proper bandwidth. NIELIT shall not be responsible for any disconnection during the interview or the candidate unable to join the Interview, such candidates shall summarily be rejected.
3. Applicants must carefully review the eligibility criteria before applying and ensure that they meet all terms & conditions as on 25.10.2025. The schedule of interviews and all related notifications will be published exclusively on the NIELIT Guwahati website under the Recruitment section (<https://nielit.gov.in/guwahati/>). No separate communication will be made by post or email.
4. For online interviews, candidates may be required to use Jitsi, Google Meet, Zoom, Cisco Webex, or Microsoft Teams, as specified by NIELIT. Candidates must ensure that the respective platform is installed and functional before the interview and must appear at the allotted time slot.
5. Self-attested scanned copy of documents as mentioned in the application form must be uploaded using the Google form link <https://gogl.to/3mdN> on or before 2:00 PM, 25-10-2025. The cut-off date for determining age and experience shall be 25.10.2025. Applications received after the deadline will not be considered.
6. Age relaxation shall be admissible as per Government of India norms.
7. Only shortlisted candidates, after screening of applications, will be called for interview. The interview is scheduled on 30-10-2025 from 10:00 AM onwards. Any changes in the schedule or mode of interview shall be notified on the NIELIT Guwahati website.
8. Applications submitted without the required supporting documents or testimonials will be treated as incomplete and summarily rejected. No correspondence in this regard will be entertained.
9. All educational qualifications must be obtained from recognized universities or institutions duly approved by statutory authorities.
10. Candidates whose final semester results are awaited or whose degrees are incomplete as of the cut-off date are not eligible to apply.
11. The name of the applicant in the application form must exactly match the name recorded in the Class X certificate. In case of any subsequent change in name, valid supporting documentation (such as Gazette notification or legal affidavit) must be produced at the time of interview.

12. NIELIT Guwahati reserves the right to revise, reschedule, cancel, suspend, or withdraw the recruitment process, as well as to increase or decrease the number of positions, without assigning any reason. The decision of the Competent Authority regarding such matters shall be final and binding.
13. Canvassing in any form or attempting to influence NIELIT Guwahati officials during the recruitment process shall result in immediate disqualification.
14. Candidates who qualify in the interview will be required to produce their original certificates and relevant documents for verification. The verification schedule and all related updates will be published exclusively on the NIELIT Guwahati website. No individual communication, including emails, will be sent to candidates. Any discrepancy between the uploaded documents and the originals shall result in cancellation/disqualification of candidature.
15. All communication regarding screening results, interview schedules, and final outcomes shall be made only through the NIELIT Guwahati website (<https://nielit.gov.in/guwahati/>). Candidates are advised to check the website regularly. No individual communication will be issued by post or email.
16. The place of deployment will primarily be NIELIT Guwahati; however, candidate(s) may be deployed to other NIELIT Centres / NIELIT HQ / Office of the Project Funding Agency as per project requirements.
17. No TA/DA shall be admissible for attending the interview.

N.B. Manpower Position Details such as Name of Position, Monthly Fixed Pay, Educational Qualification [Essential] etc. can be found in the Eligibility Criteria document.
