Part-Time Consultant Psychiatrist Position at IIT Gandhinagar

The Indian Institute of Technology Gandhinagar (IITGN) invites applications from dedicated and qualified medical professionals for the position of Consultant Psychiatrist. This is a contract-based and part-time role, initially for one year, with the possibility of extension based on performance and institutional requirements.

About IIT Gandhinagar

IIT Gandhinagar is a leading institution recognized for excellence in education, research, and innovation. The institute fosters an environment that encourages interdisciplinary learning and holistic development. As a medical professional at IITGN, you will play a vital role in supporting the health and well-being of a vibrant campus community of over 3,500 members.

Position Details

- **Positions Available:** 1 Psychiatrist (part-time and contract basis)
- **Period:** One year, extendable based on performance and requirements
- **Consultation Hours:** 2 hours, once a week
- **Remuneration:** Fixed compensation of ₹20,000–₹30,000 per month, depending on qualifications and experience
- **Location:** IIT Gandhinagar campus

Key Responsibilities

- Provide psychiatric evaluation, diagnosis, and treatment for the institute community (students, staff, and faculty and their family members), and advise their family members when required
- Conduct scheduled outpatient consultation hours on campus, ensuring timely access for students and staff in need
- Work collaboratively with counselors, student wellbeing team, and the medical center to offer coordinated care for students

- Offer crisis assessment and management for acute mental health situations requiring immediate attention
- Advise on referral pathways for individuals requiring specialized or inpatient care outside the institute
- Support institute-level wellbeing initiatives, including awareness programs or workshops (as needed)
- Maintain accurate clinical documentation in accordance with professional and institutional standards
- Ensure confidentiality and uphold ethical standards in all interactions with students, staff, and faculty and their family members.

Required Qualifications

- MBBS degree from an MCI/NMC-recognized medical college with at least 60% marks or equivalent grade, successful completion of the compulsory rotating internship, and a valid registration with the National Medical Commission (NMC). A first-class academic record throughout is required.
- MD in Psychiatry
- One year of Senior Residency after MD

Perks and Benefits

- Access to campus facilities, including the library, sports complex, and campus events

Application Process

Interested candidates should apply online at the provided [link](#). Please ensure all details are accurate and that a valid, active email address is included, as all correspondence will be conducted via email.

- **Application Deadline:** 31 December 2025 (up to 5:30 pm)

General Information

- Applicants must be Indian citizens.
- The positions are purely temporary and contractual.
- Selected candidates must present original documents at the time of written test/interview.
- No TA/DA will be provided for attending the selection process.
- Appointment does not confer any right to regularization or absorption in future.
- The institute reserves the right to fill or not fill the positions, or to cancel the advertisement, without assigning reasons.
- For queries regarding the application process, email: ga@iitgn.ac.in
- Canvassing in any form will lead to disqualification.

Join our dynamic team and contribute to the well-being of the IIT Gandhinagar community. Your expertise will help shape a healthier, thriving campus environment.
